PUBLIC PARTICIPATION

76/21 Mr and Mrs Hosking were present and raised concerns about the Defibrillators in the parish. Over the previous weekend Mr Hosking needed to access the unit, during an emergency, on Fore Street close to the Clock Tower and he was alarmed at the state of the unit. The lock is broken and it is kept shut using a bungee; the instructions and stickers on the cover are badly faded. The box contained grit and dirt and didn't look as though the defibrillator was operational. It wasn't actually needed in the event.
The Roseland Surgeries Patients Group look after the units and check them. Clerk to write to the group with the concern and ask about the routine of checking and maintenance .
