HALL ON MONDAY, 14th MARCH 2022**

*Minute No.*

The meeting was conducted under Covid guidelines and restrictions

*Action*

**PRESENT** were Cllrs Egerton (Chair), Ashley, Floyd Norris, Gray, Greet, Harris, Laity, Lytham and Matthews  
Clerk – Mrs M Symons  
Cllr Julian German  
Richard Cochrane – REACT  
RG Kellow representatives  
Sarah Cox

**APOLOGIES** were absence – St Just-in-Roseland Parish Council; Veryan Parish Council

**The Chairman** welcomed everyone

**ELECTRIC VEHICLE CHARGING**

The meeting had been called as a joint meeting of councils to discuss the proposals of installing electric vehicle charging points throughout the parish councils locally. Cllr Laity had organised the discussion between a local installer / expert and supplier to explain suitability of sites and potential cost. The background to the current proposals nationally and how electric charging works in practice were explained.

Rob Kellow – RG Kellow t/a Cornwall Charge Points offered to survey sites proposed – both in Tregony with Cuby Parish as well as other local parishes.

A lot of information was discussed and touched on and it was agreed to get surveys done and gather more details before meeting again and further the process.

The Chairman thanked all attendees for coming and giving their time to explain how best to progress and looked forward to hopefully move the project forward.
